Fundraising

Ralphs Community Contribution Program

% rebate on every dollar you spend at Ralphs supermarkets.

Sign up at www.Ralphs.com

Food4Less Community Rewards Program

% rebate on every dollar you spend at Food4Less.

Sign up at www.food4less.com.

eScrip

% rebate when you shop at participating merchants and online retailers.

You can earn when you shop locally or online, dine out or book travel.

Sign up at <http://www.escrip.com>, and go to

<http://www.escrip.com/wheretoearn/> for a complete list of participating retailers.

Benefit-Mobile:

Buy gift cards online and redeem for % rebate.

Cards are purchased and delivered within seconds to the mobile app for immediate in-store or on-line redemption. Each purchase earns up to a 20% for Team 980.

1. Shop: Buy gift cards and have them delivered to your smart phone within seconds.

2. Redeem: Use them for your everyday purchases in the checkout line or at home.

3. Earn: Earn rebates on every purchase. Apply them FRC Team 980 ThunderBots.

4. Reward: Each month we receive an electronic check.

About
FIRST Robotics Competition Team 980 ThunderBots, a 501(c)(3) charity, inspires high school students to pursue careers in Science, Technology, Engineering, Arts, and Mathematics (STEAM) fields. We build competitive robots, immersing our students in a hands-on, six-week product development cycle, followed by intense competition events.

What I'm Raising Money For
Funds raised by our 'Full STEAM ahead to Kickoff' Challenge will be used to purchase parts, materials, and supplies for building our robot. Our students are work harding to exceed our \$5,000 kickoff goal!

Why You Should Give
In a period when highly-skilled technical staff is in high-demand, few programs inspire high school students to choose high-tech career paths like FIRST. Our team members learn the critical life-skills allowing them to succeed in technical careers. In addition, FIRST Robotics Competition students are eligible for millions of dollars in scholarships to leading colleges and universities.

Piggybackr

Building future innovators - one robot at a time!
Fundraiser for Frc Team 980 Thunderbots by David Brinza

Thanks to everyone who donated! This fundraiser ended on 13 December 2016 at 23:59

You donated \$25 to this fundraiser

Amount raised: **\$1,065 / \$1,000**
Time left: **Ended**

10 donated, 56 invited, 4 shared

About this fundraiser
FRC Team 980's fundraiser may earn up to \$1K in MATCHING funds from the Gates Foundation (until \$500K is donated!)

In honor of #GivingTuesday, Facebook is waiving all fees. 100% of your donation will go to FRC Team 980. Our high school students are motivated to succeed, but they need your help to acquire the resources for our robot project and competitions!

How much would you like to donate?
\$20 \$50 \$100 \$250 Other

Frc Team 980 Thunderbots Education • Sylmar, CA
FRC Team 980 ThunderBots' mission is to educate and inspire high school students to become the next generation of science and technology leaders by building a competitive robot through the guidance of professional mentors, corporate sponsors, and parents in alignment with FIRST core values.
