OUR JOURNEY THROUGH COVID

LA Regional in March 2020

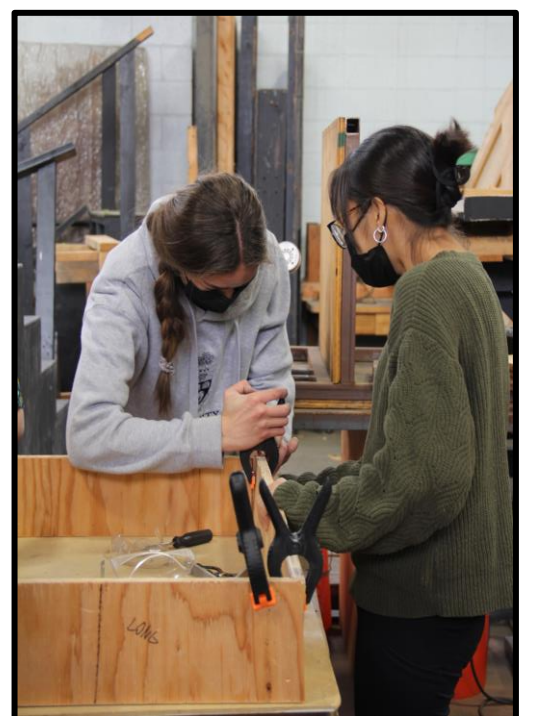

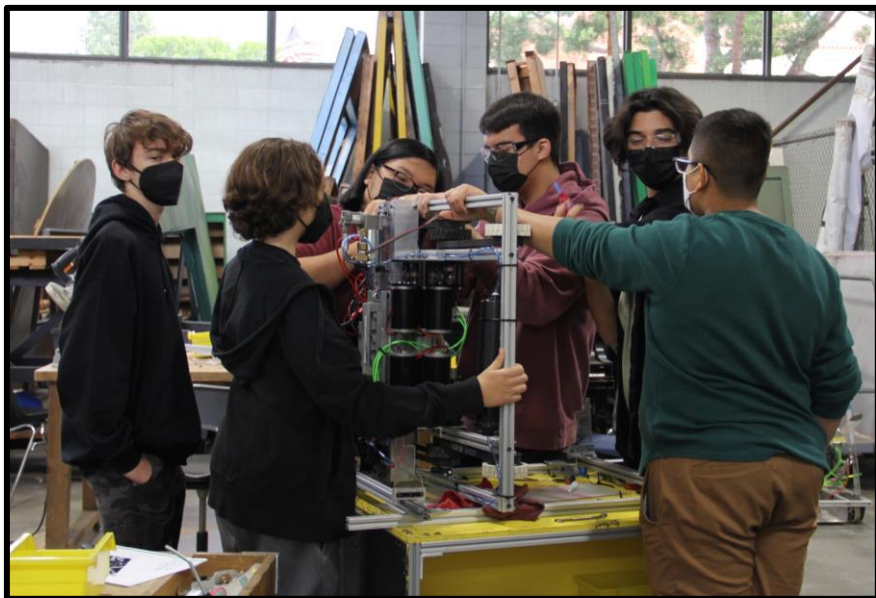

With our new friends from
rookie FRC team Golden
Horn from Istanbul

The Move

We left our home of 6 years at WDI ...
and 9 months later unpacked at our new home at the
Burbank High School STEAM Lab.

NEW HOME AT BHS

We built our shop while we learned how to design and build a robot and create our presentations.

Our hard work paid off.
